1. We have reviewed the substantive proposals forwarded by your routing sheet of 11 September which set forth proposed changes to the Agency travel and home leave regulations. We believe there exists legal authority to implement the proposed changes.

2. As stated in our memorandum of 25 July 1967 (OGC 67-1190a), we believe the approval of the DDCI would be necessary with regard to item I(1). Item II(2) would also require the DDCI's approval.
